

Launch of Second Sale of Ichigo Owners Co-Ownership Asset

Ichigo is a Japanese sustainable infrastructure company dedicated to making the world more sustainable. Ichigo believes companies exist to serve society, and is committed to contributing to a sustainable society while growing long-term value for its shareholders.

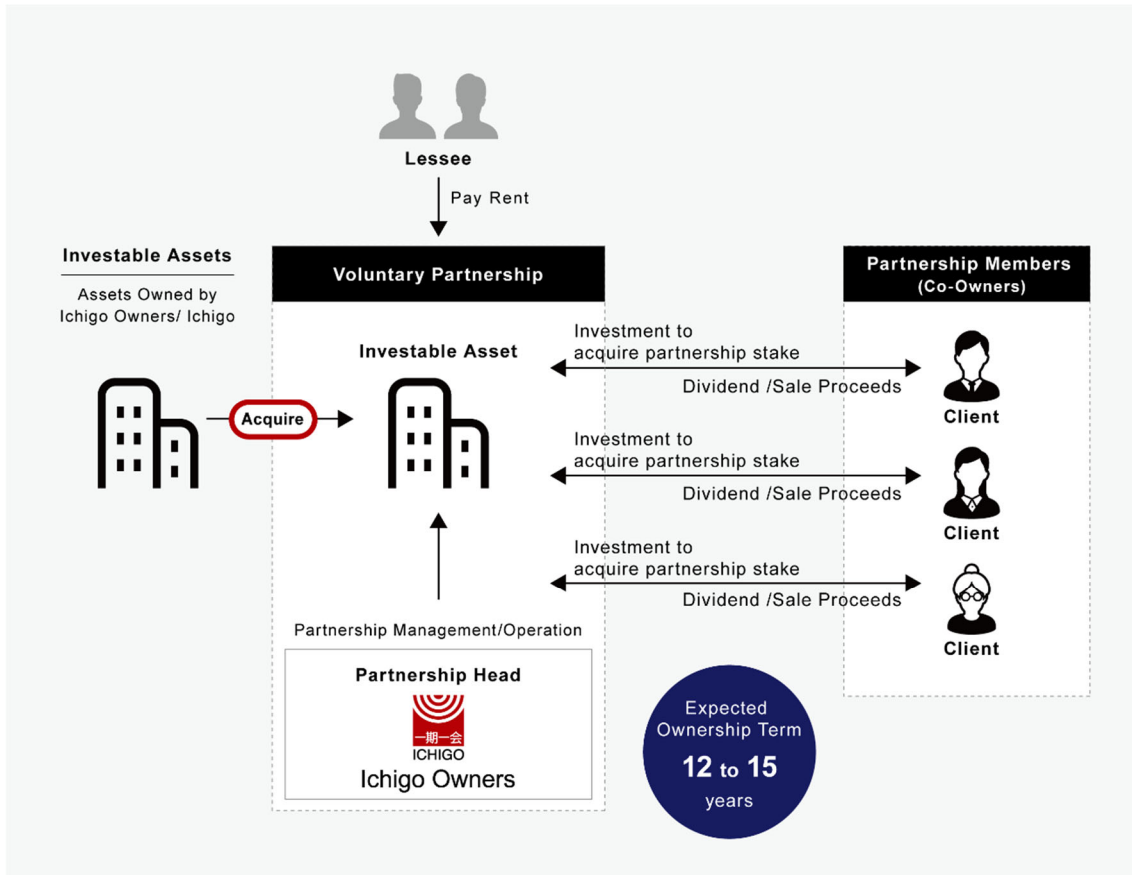

Ichigo Owners, an Ichigo subsidiary providing real estate investment services to individual investors, last year launched its new Co-Ownership business and completed the first sale of a co-ownership asset. Today, Ichigo Owners is launching the second sale of a co-ownership asset.

The new Co-Ownership business meets clients' diverse real estate investment needs by allowing investors to make diversified, small-scale investments in a broad array of Ichigo Owners' real estate assets while leveraging Ichigo's value-add capabilities in managing those assets.
