Ichigo Office Share Purchase

Ichigo is purchasing additional shares of Ichigo Office (8975), its TSE-listed REIT managed by its wholly-owned subsidiary, Ichigo Investment Advisors, to further strengthen its commitment to Ichigo Office as its sponsor and drive growth and shareholder value for Ichigo Office shareholders.

1. Share Purchase Rationale

Ichigo Office leverages Ichigo's value-add capabilities to increase the value of its assets and maximize shareholder value for its shareholders.

Ichigo is strengthening its asset management business to achieve its Ichigo 2030 KPI of increasing its stock earnings. In line with this policy, Ichigo is increasing its support to Ichigo Office (IOR), Ichigo Hotel (IHR, 3463), and Ichigo Green (IGI, 9282), including Ichigo's purchase of Ichigo Office shares announced on January 25, 2023. To provide immediacy and certainty in the execution of today's share purchase, Ichigo is purchasing the shares from Ichigo Trust Pte. Ltd., a major Ichigo Office shareholder.

Ichigo views IOR, IHR, and IGI's growth as important drivers of Ichigo shareholder value. Ichigo's sponsor support will contribute to an increase in Ichigo's assets under management and to IOR, IHR, and IGI's dividend growth, increasing shareholder value for Ichigo, IOR, IHR, and IGI shareholders.

IOR and IHR are the only J-REITs implementing a no fixed fee, performance-fee only structure that fully aligns with value creation for IOR and IHR shareholders. Ichigo will continue to proactively support IOR, IHR, and IGI and drive long-term shareholder value via provision of high-quality assets, establishing bridge funds, share purchases, and deploying Ichigo's value-add capabilities to increase the value of IOR, IHR, and IGI assets.
